

CRISA AT A GLANCE

The five principles of CRISA 2

Implementation of the principles

Implementing the 5 principles of CRISA 2 is intended to be a systematic, iterative process of:

- integrating material environmental, social and governance (ESG) factors into investment arrangements and activities (Principle 1); and
- demonstrating the acceptance of ownership rights and responsibilities diligently enabling effective stewardship (Principle 2); and
- contributing to capacity building and collaboration (Principle 3),
- in an accountable manner through being founded in sound governance practices (Principle 4) and
- promoting transparency (Principle 5) through meaningful disclosure, towards the attainment of positive outcomes.
